Keswick Flagship Showroom
19 Anzac Highway, Keswick SA

- One property acquired in FY21 in Keswick, South Australia and redeveloped to become Nick Scali's flagship Adelaide showroom
- Fyshwick redevelopment has begun and construction is underway. Expecting completion by end of December 2021

- The Company's future growth will primarily be driven by the continuation of the new store rollout and increasing online penetration, and the Company continues to accelerate initiatives to capture these opportunities
- Trading during July 2021 was impacted by government mandated lockdowns in Greater Sydney, Victoria and South Australia, and written sales orders were down 27% compared to July 2020, but up 24% on July 2019, despite Greater Sydney being locked down for the whole month. Victoria and South Australia have traded exceptionally well since coming out of lockdown towards the end the month.
- New Zealand continues to perform well with written sales orders up 91% in July 2021, whilst online growth continued, with written sales orders up 88% compared to July 2020.
- Despite the buoyant trading conditions, there is a high degree of uncertainty in the current retail environment, due potential future lockdowns, supply chain challenges caused by lockdowns in sourcing countries, and the continuing escalation of global shipping costs
- Given the uncertainty, it is not possible to provide profit guidance for the Company for the first half of FY22.
